Haley

Orlando, Florida

Valet

Age: 19

Born: December 20

Ht: 5'10"

Wt: 120 pounds

Bras: 32B

Panties: I'd rather not wear them

Anal: I love anal

BJs: I spit, then lick it back up

Masturbate: Yes!

Haley is a little fuck bunny who is currently studying nutrition in college. She's mindful about what she puts in her body, and that goes for more than just food! "I'm discerning when it comes to choosing partners," Haley confessed. "But once I've decided that you're an okay guy, I will give my body over to you 100%. Everything is on the table, and I do mean everything."

Grab the Lube!
"I'm pretty much
obsessed with anal sex. I
can't do it all the time,
but I wish I could. The feel-
ing of a guy pounding my
ass and then filling me
with his jizz is orgasmic."

"I've got a couple of guys at college who I'm in casual relationships with, but their schedules aren't the same as mine, so I'm not having sex nearly as much as I'd like. I would prefer to fuck twice

a day, but I'm only having it, like, twice a week right now. I'm on the lookout for another guy to fill in the void. He's got to be open-minded, though. My preferences run a little bit extreme."

Watch as blondies like Alexis, Bonnie and Zelda fold into pretzel poses and show off their tight, teen twats being penetrated by monster dongs. Little Alex sucks the biggest cock she's ever seen. You can see how nervous she is when she first sees it, but her deepthroating skills grow before your eyes!

When you're a man on the go and don't have time to stop at a brothel, or you don't want to risk approaching a prostitute on the

Kelly

Chicago, Illinois

Lifeguard

Age: 24

Born: August 29

Ht: 5'7"

Wt: 130 pounds

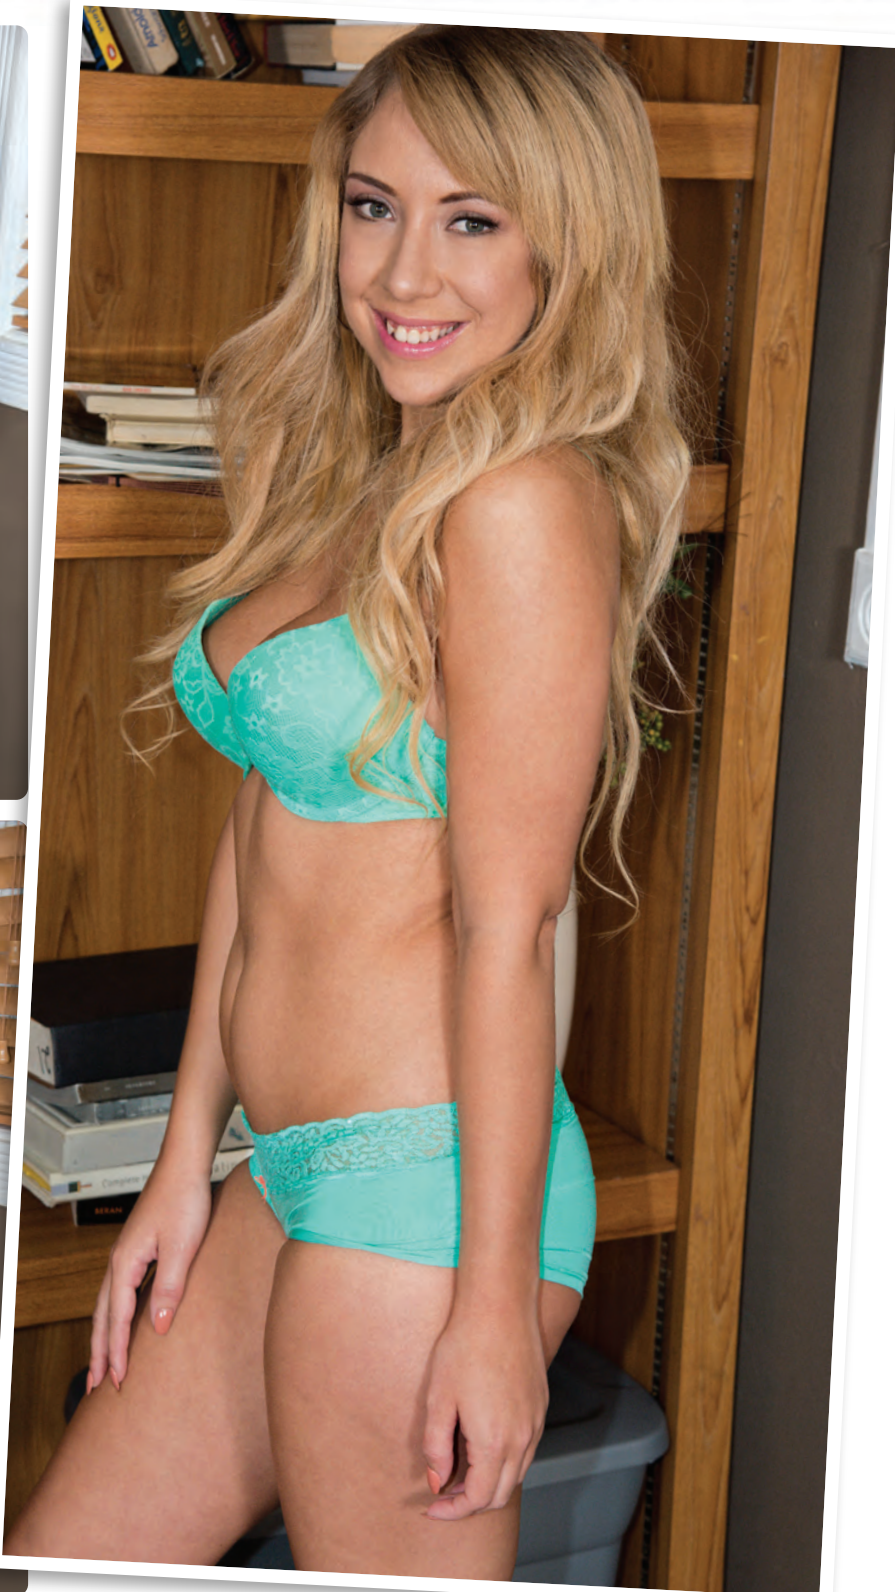

Bras: 34C

Panties: I love lace

Anal: Not my style, but I'll try

BJs: Swallow

Masturbate: Absolutely!

"I consider myself an exhibitionist," Kelly told us via email. "I get off knowing that I'm being watched. I'd say that it all stems from hanging out and making out with friends in the park after school.

We would pair off and have epic makeout sessions. It didn't matter if it was guy-girl or girl-girl kissing, either. We would swap and have an excellent time perfecting our skills and cheering each other on."

More the Merrier
● "My kinkiest sexual
● encounter was when my girl-
● friends and I took a couple of
● guys home after hitting the
● club. We switched off and
● ended up having a three-girl,
● two-guy orgy!"

"I'm an amazing chef, and I play the piano like a pro, so my ideal date would probably be hanging out at my house, making dinner and playing music. I'm not usually the kind of girl to fuck a guy on the first date, but I'll suck his dick if he's really special. I've been told that my blowjobs are mind blowing, and I love getting in all the practice I can."

Blaire

Lynchburg, Virginia

Candy shop girl

Age: 18

Born: July 18

Ht: 6'1"

Wt: 150 pounds

Bras: 34B

Panties: Lace and thongs

Anal: No

BJs: Spit

Masturbate: I'd rather fuck

We have been photographing amateur girls for over 20 years. After all this time, we have a pretty good eye for potential porno superstars. Guys, meet Blaire Ivory. She contacted us to help break into the porn industry. We could tell as soon as she set foot in our studio that she is something special, and we got to shoot her before any other company. "My boyfriend supports my decision to go into modeling. He thinks the idea is pretty hot. I'm glad to have his support and love!"

"I show cleavage when I go out, but I'm not slutty about it. I love catching guys staring! It's easy because I'm so tall, my boobs are eye level!"

Sharing is Caring

"My kinkiest encounter was with two guy friends. We were on the couch groping, licking, and fingering. We didn't fuck, but it was still exhilarating. One of those guys is now my boyfriend."

"I'm having sex two or three times a day right now. I'm a naturally horny person! I have to take breaks now and then because my pussy gets sore. I'm really, really tight down there! I'm looking forward to fucking a porn stud guy, but I'm a little nervous about what their cocks will do to me! As long as they work up to rough sex (my fave), I think I'll be fine. I'm sure this new porn adventure is going to be fun!"

Narlie

Lake Worth, Florida

Hostess

Age: 22

Born: July 23

Ht: 5'2"

Wt: 95 pounds

Bras: 32B

Panties: Bare is usually better

Anal: Yes! Give it to me!

BJs: Swallow

Masturbate: Oh yeah

Narlie is studying psychology in college. We asked her the psychological significance of her interesting list of favorite kinks (BDSM, rope play, whips, and sexual electricity play). "It means I like to have a good time," she explained. "I'm not shy about saying exactly what I want, and I won't let anybody make me feel bad about wanting kinky things. I don't get bogged down with 'what I'm supposed to enjoy,' or whatever. I dated girls for most of my life but gave guys a shot last year. I was kind of old to lose my cock-virginity, but I want to experience everything."

"My guy right now loves to dominate me in the bedroom. He gives me rules. I'm not allowed to spit cum, cum without permission or wear panties around him."

That's Hardcore

"I think that the hardest I've ever cum is when I got tied down to a bed with a Hitachi shoved against my clit and a guy was whipping my ass and dirty talking to me."

Elena

Vancouver, Washington

Student

Age: 22

Born: May 18

Ht: 6'

Wt: 140 pounds

Bras: 32B

Panties: Cheekies

Anal: Yes

BJs: Swallow

Masturbate: Yes

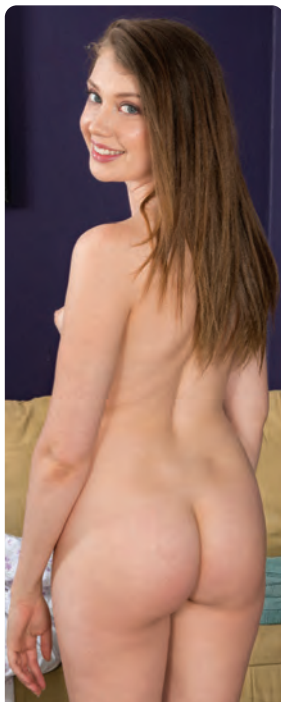

"I read online that most women have no idea what their vaginas look like up close. It got me thinking that I had never given myself an intense inspection, so I pulled out my makeup mirror and took off my pants. I was spreading my pussy lips when my boyfriend walked in! I was embarrassed, but he told me it was hot."

"I let my guy take these photos on the condition that he didn't share them with anyone. He agreed, but after he shot them, he told me that he wanted to send them to you guys. I was nervous at first, but I decided Y.O.L.O. You know what that means, right? You only live once. I've actually been masturbating to the thought of thousands of guys jerking off to my pictures. It's so dirty and hot."

Get Pumped

"I wish porn movies ended in creampie's more often. That's my favorite way to finish. One Valentine's Day, my ex took a Viagra and gave me six creampie's in 24 hours. I was so happy."

Maya

Vallejo, California

Dog sitter

Age: 18

Born: September 14

Ht: 5'1"

Wt: 105 pounds

Bras: 34B

Panties: I don't usually wear them

Anal: I like it licked

BJs: Swallow

Masturbate: Work my clit

We asked Maya if she has special talents. "Only if you count sucking dick real good," she replied. That's one hell of an answer. "When I go out, I show as much skin as possible to advertise that I'm all about getting my pussy eaten and getting good dick. I don't have time to mess around."

The Crowd Goes Wild

"I was a cheerleader in high school. I love football, and my favorite NFL team is the Raiders. I kept my old uniform to wear during sex, but it's stained from pussy squirting and cum."

Vanessa

Torrance, California

Administrative assistant

Age: 24

Born: May 2

Ht: 5'6"

Wt: 120 pounds

Bras: 32C

Panties: Booty shorts

Anal: If the guy likes it

BJs: Swallow usually

Masturbate: I use a pillow

You guys got to see Vanessa spread her cunt on-camera for the first time in our last issue. A few days after she shot those solo pics, she decided that she was ready for the big leagues. We didn't pressure

her (we swear) to fuck a porn stud. She agreed that it would be fun. "Can you guys get me a really big cock?" she asked. "I've only been with guys around the six-inch mark, and I want more."

It was Vanessa's first time fucking in front of a camera crew, so we figured that she would be nervous. "I wasn't too worried about performing for a group because I've already had sex in public a bunch," she explained. "I was nervous when your stud started licking my asshole, though. I've never had a guy do that to me before! After a few seconds, I started to melt. It was incredible! I could feel my pussy juices start to run onto his lips after a minute of him tonguing my ass. I really liked when he stuck it in there."

VANESSA JANUARY 2017

"Doggie-style is the best. I can rest my elbows on the bed, stick my ass in the air and let the guy go as hard and as fast as he wants. I don't have a very deep pussy, so it's hard to take very much length in missionary. But in doggie, I can let myself get filled up with as much dick as the guy can provide."

Teach Her Ass a Lesson

"I'm not into too much domination or pain in the bedroom, but a quick and hard spank on my butt when I'm bent over and getting railed will send my cunt into overdrive."

Bambi's boyfriend sent us these pictures after a lot of persuasion and bribery on his part. "He promised me a vacation," Bambi told us.

"My boyfriend has always wanted to be a swinger," Bambi explained. "I'm not down to share my man with anyone else, so he figured that letting the whole world see me naked was close enough. I hardly ever wear clothes when I'm home, so nudity isn't an issue with me. Plus, I'm going to Hawaii with the money we're getting from this!"

Now That's a Gift!

"Because my boyfriend desperately wants group sex, I might give him a two-girl blowjob for his next birthday. It will be a one-time thing, though. That will have to be enough."

fucking. After Austria comes Germany, where Love-Mobil will help you get from point-A to point-Z with a brief pit stop at point-O.

Unfortunately, these services are still illegal in the United States, so unless you're willing to step into the shadowy world of pimps and hos, you're shit out of luck living in the land of the free. If you are willing to commit a crime, you might be closer to a fuck-truck than you know. Several Miami businessmen (we use that term lightly) were recently busted on board a party bus, balls-deep in stripper pussy. In this van, there was a full bar, black lights, and we're assuming vanilla-perfume and plenty of glitter. These unlucky johns thought they were getting \$100 blowjobs when they stepped onto the highway-whore-house, but they ended up with a rap sheet and a bad case of blue balls.

Heat Wave Hottie

Dear Naughty Neighbors,

Any of my fellow Brits will remember the massive heat wave we had over here in England last summer. Our pasty arses were frying anytime we set foot outdoors. I work as an electrician, so my normal job consists of spending a lot of time in air-conditioned flats, then crawling through million-degree attics and taking sweat

showers. A friend of mine called me a while back and offered me a bit of under-the-table work, which he knew I needed because I'm going through a sloppy divorce. He owns several rental properties and needed to get a tenant a new A/C unit. I agreed, so he gave my number to his renter Amanda. She gave me a ring and asked that I come as quickly as possible because she was getting fed up with the blistering heat. I understood.

I gave a knock on her door around 10 am. I would have gotten there earlier before the heat was too built up,

but the traffic around the council estate was madness. My shirt was already damp with sweat when Amanda opened the door. She greeted me in the skimpiest denim shorts I've ever seen. I could tell that if she went on her tippy-toes, her arse cheeks would peek out the bottom of the frayed edge. Her medium-sized tits were barely contained in a one-size-too-small bikini top, and her red hair was pulled back into a tight bun. She looked to be about 26 or 27, and her ice-blue eyes almost cooled me off when I looked into them. Every centimeter of her body was stunning.

I was feeling a bit cheeky and more than a little horny, so I made some off-handed and cheeky crack about strangers knocking more often if they knew that they'd be greeted by a girl dressed like her. She laughed, but in a nervous way, so I didn't think I'd have a chance at giving her a go. She offered me a glass

of ice water, and I obliged. I unscrewed her massive, old A/C unit from its frame in her bedroom window. It was one of those monster units from the 70s that were about as efficient as a hammer under the sea. It wasn't too fun dragging that behemoth out to my van. The

replacement unit was a breeze to install, though, and before I knew it, I was ready to accept one more glass of water and then hit the bricks.

As Amanda was filling my glass from the tap, I took a moment to drink in every inch of her nubile body. She thanked me profusely for helping on such short notice.

"It's no worry. I'm doing this as a favor to your landlord," I told her.

"So you're not getting paid?" she asked me.

"Oh, I'll figure out how to charge him. I'll let you get upstairs and enjoy that A/C," I responded.

"I'd give you money, but I'm a tad skint at the moment. I can suck you off if you like!" she said casually as if it wasn't the first time she had offered her mouth as a Mastercard.

Well, gentlemen, I'm sure you'd all agree that there's no way any red-blooded male would turn down an offer like that, so I hastily said yes. She moved toward me and dropped to her knees at my feet. Her hands undid my belt buckle and unbuttoned my work trousers. My cock

was pressing at my boxers, already rock hard and ready to be unleashed. As she pulled down my underwear, my boy sprung to life and almost bopped her on the nose. With not even a moment of hesitation, she leaned in and wrapped her luscious lips around the tip of my dick. One of her hands wrapped around my nuts and began to massage my berries while her other hand gripped and squeezed my buttocks, pushing my body forward and driving my dick further into her mouth.

Amanda looked up at me and told me how appreciative she was to have some help around the house, and that her ex was a lazy piece of shit, and that's why she kicked him to the curb. As she finished her sentence, she lowered her head and took my left nut into her mouth. She tongued and swirled my ball while stroking my cock, still wet from her sucking. She tried to lick down further towards my arse, but I grabbed her hair and brought her lips back up to my equipment. God, it felt good

A submission all the way from Estonia might just be a first for us. We had to look up where Estonia is before responding to Katya's email to us. "Hello from Estonia," she wrote. "I am Katya, and I want very much to be a model in your magazines. I have actually been approached by several photographers and agents here in Estonia, but they have a bad reputation of taking advantage of girls. I know you have been making magazines for 20 years, so I know you are safe to use my photographs."

Guys, we're always thorough when it comes to checking girls' IDs, but when we're receiving photos from former Soviet Union countries, we double and triple check. "I have always looked young," Katya told us. "In fact, I have a problem finding older men who will make the first move with me. When I go to university, it's always the first-year students who flirt with me. It's a big problem because I don't like young boys. I like older men in their 30s. They know their way around my body much better."

"I once dated a 41-year-old man. He would call me his little lover, and I loved hearing it. He took his time making love to me, which was good because I was inexperienced. He also had a very large penis, which took time to fit inside of me. Once, he had to kiss and suck on my nipples for nearly an hour for me to be wet enough to get him all the way inside. I didn't mind because foreplay is the best."

Young, Smooth & Wet

"I have always kept my pussy shaved because it feels much better during sex. A little spit or precum makes me slippery, and I love having a man run his hands on my wet clit."

BUSH BABY

BEFORE AND **AFTER**

BEFORE

Holy shit! Guys, we've got a first-time situation on our hands. We've been showing off Bush Babies for a long fucking time. We've seen thick, dark pubes before. Hell, we've seen furry pits and legs, too! But this is the first time we were left speechless

when seeing a bush. When Cheryl first leaned back, pulled her panties to the side and exposed her thick, dark snatch, we knew we had to see it bald, too. The comparison shots are just too delicious! After a three-can shave session, we got these amazing pics.

AFTER

BUSH BABY BEFORE AND AFTER

Cheryl is a lovely lass from the north of London. She's 5'4" tall, weighs 140 pounds (probably less after the shave), and quite enjoys doggie-style. "It's the only position that makes me squirt," she told us.

BEFORE

BUSH BABY BEFORE AND AFTER

AFTER

"It's taking a while to get used to being shaved. I've always had pubes. You know what's weird about being shaved? My pussy smells different. Now it smells like soap, but it used to smell like a wonderful mix of pheromones and sex. I just hope guys still like eating me out while I'm hairless!"

Opposites Attract

"My last boyfriend shaved his pubes. It was so funny the first time we saw each other naked, both of our jaws dropped! He loved my bush, though, and I loved sucking his hairless dick."

Kimber is married, has three chocolate labrador retrievers, and is a dedicated aunt. "I never had kids, so I'm not technically a MILF, but they don't have an acronym for AILF yet, so I'll just deal with being a MILF," she told us. "My family would be surprised to see me here, but my friends and husband wouldn't be. It's just another case of me doing whatever I want to do."

"My husband and I have swapped and mixed partners with a few couples over the years. We spent two weeks at the Hedonism 3 resort in Jamaica a few years ago. We saw and did so much, I could probably write an erotic memoir about it! That's how I met Sally, a woman who models for your MILF mags. She told me about you."

Hail To The Chief!

"My hub and I were invited to ride aboard the CSX Presidential Train a few years ago. It was a dinner, drinks, and site-seeing thing. We snuck into Harry S. Truman's private car and fucked in the presidential sleeper while drinking 25-year-old scotch!"

Every girl we put in our magazines loves dick, but every once in a while a girl comes along who is absolutely obsessed with cock. That's how Winter is. "I don't even like masturbating that much," she told us. "I like to watch porn to get me turned on, but then I need a fat cock to make me cum."

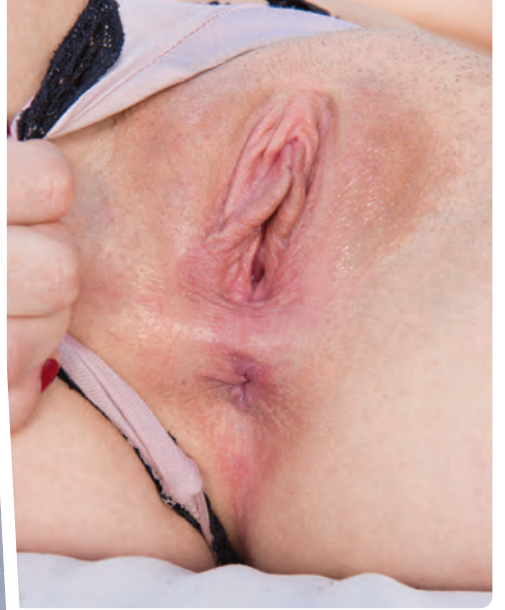

It's a Date!

"I'm a big sports fan. My favorite hockey teams are the Redwings and the Blackhawks. My favorite football team is the Colts. If you want to get lucky on a date, take me to a game!"

"I lost my virginity in a super embarrassing way. I snuck a boy from school into my house when my parents were sleeping. I didn't tell him that I was a virgin. I didn't know what I was doing. I let him eat me out, and I sucked his dick for almost an hour. His cock was enormous. It was seriously the size of my wrist. I couldn't help but scream when he shoved it inside me. I was biting a pillow, but it felt so good. I was practically yelling. My whole family heard me get my cherry popped."

Winter is down in Florida for an extended vacation while taking some time off between semesters in college. "I love going to the beach. I like to wear my bikini top, cowboy boots and hat, and jean shorts. I'm kind of a country girl at heart, and it's such a fun and easy look. Plus, boys love it. The other day I picked up a couple of military guys who were down in Florida for leave. They were both hitting on me and not-so-discreetly arguing about who would get to fuck me. I took them back to a hotel and sucked one off while the other fucked me doggie-style."

when I began to rock my hips back and forth, going effortlessly past her mouth and into her warm throat. I was fucking her mouth as I would a pussy, and she was slurping and drinking every ounce of precum I could produce. She really was a talented cocksucker.

I politely asked for her to show me her tits, and she delivered quicker than a virgin at a whorehouse. Her pink nipples felt iced, they were so hard. And her tits were soft and warm; a perfect handful to reach down and squeeze while she bobbed on my manhood.

She sank her face into my pubes, burying her nose in my hair and gagged a bit as I felt her swallow the last inch or so of my dick. I held her head there, full of my cock and drooling down onto my balls, until I felt the warming sensation of an orgasm begin to build in my nuts. She went back to sucking and slurping on the tip of my knob while kneading my balls, and I began to twitch and shoot more precum.

"I'm going to cum," I warned her. I didn't know what she would do with my jizz, and I didn't want her to be caught off guard.

She withdrew my dick from her mouth, a line of spit and sperm connecting her bottom lip to my prick hole. She eyeballed my dick like it was her last meal before opening wide and sliding every inch of my rod into her mouth. When she looked up at me with those ice-blue eyes, I lost it. I began to shoot my load, and with every powerful rope of cum I dumped into her throat, she blinked and swallowed, but her eyes would open again and stare at me. Her hand squeezed my balls and pressed against my taint every time I spurted, almost like she was milking my nut juice into her stomach. I could barely stand, let alone think straight.

As I pulled my cock out of her mouth, she tongued from the tip to the shaft to make sure she didn't miss any of my cream. "God, that was amazing," I told her, although I was sure she already knew her prowess in the arts of fellatio. She

Save, Don't Shave

Dear Naughty Neighbors,

I have been growing more and more concerned about your before-and-after Bush Baby special pictorials. I, like most men my age, prefer a woman with an all-natural hairstyle. Why is it that all of the women in your magazine feel the need to shave their beautiful hirsute pussies?

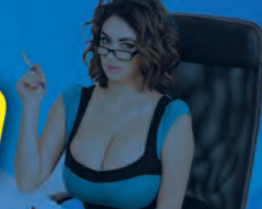

If I may make a suggestion to your editors, perhaps you could find a teenage girl who has never known what it's like to have a full bush, and then convince her to give it a try? In this way, you could have a before-and-after special with the girl starting out with a shaved vagina and ending with a lush bush? I know that as a long-time fan of your Bush Babies, I would much prefer the specials going this way.

Thank you for your consideration.

Age: 23

Born: October 18

Guys, meet Alex. Alex has been modeling awhile, but she's never taken the plunge and fucked on-camera before now. "I've always been artistic," Alex told us. "Growing up, I loved painting, playing the piano and cooking. I bring that same artistic style to modeling. I love shooting tasteful nudes, which I frequently do with my friends and professional photographers, but I'm starting to get bored. I decided to up the ante and fuck on-film because I love sex, I love porn, and I love the idea of thousands of guys stroking their cocks to me."

"I lost my V-card in a movie theater while watching "What Happens In Vegas" starring Ashton Kutcher. It sounds so corny now. But I think the wildest thing I've ever done would have to be when I

fucked a guy on a city bus. It was bouncing me around, and I even came! Other than that, I've been with women, I've been DP'd multiple times, and I've pegged guys in the ass with strap-ons."

"As a personal challenge, I once set out to give myself as many orgasms as possible. I ended up with 33 times in one day. My clit was so swollen and sensitive the next day, but I had a ton of fun squirting and cumming all over my house."

Make Room For One More

"I remember the first time I got DPed, I was so nervous. I thought it would hurt, but my boyfriend's bestie got behind me and slid into my ass, and it was the most incredible feeling."

"I consider myself an exhibitionist. Anything public is okay with me. I like showing off. One time, I had sex in the rain with a guy I had just met. And this wasn't like a quickie. I stripped all the way down and we fucked like animals in the middle of a park. He was pounding me and my entire body was getting drenched. He came on my face and the rain washed it away!"
